

# Jet Propulsion Laboratory

## Facilities Construction Briefing

**Tuesday, June 22, 2010 ~ 7:30 a.m. - Noon**

The Jet Propulsion Laboratory in Pasadena, California presents a Facilities Construction Briefing for large and small companies in the architectural, engineering, environmental, construction, and construction related Industry.

The briefing will educate business owners as to how JPL bids construction work in the federal government arena.

A sample of discussion topics include:

- **Facilities Construction Safety/EMR Factors**
- **Pre-screening Qualifications**
- **Construction 101: The Bidding Process**
- **Energy Conservation Management and Going Green Initiatives**

### REGISTRATION

**Save your space prior to June 18!**

Pre-registration is highly recommended, as space is limited to the first **200** people. There is no cost to attend.

**On-site registration is not available.**

### WEBSITE
